

Harley-Davidson
fall catalog

an encore in
out-performance

There's a Harley-Davidson out-performer for every style of cycle excitement. Sun-and-summer-fun 65cc Leggero. 125cc Rapido for windblown freedom, street or trail. Sprint 55, race-bred 350cc middleweight that sets new performance standards. And the wildest big-inch stormer that ever hustled down the pike. 900cc Sportsters, brothers to the record book re-writers of Bonneville,

Left to right: Sprinter XLCH, Electra Glide, Sprinter XLH, Sprint 55/350, Rapido, Sprint 55, Leggero.

Daytona, Atco Dragway. Or Electra Glide. Classic 1200cc touring out-performer with elegant options to make yours one of a kind.

Take your choice. You can ride them, buy them, finance and insure them in a single stop at your Harley-Davidson dealer. After that there'll be no stopping you. Harley-Davidson Motor Co., Inc., Milwaukee, Wisconsin 53201.

the Harley-Davidson Out-Performers for 1970.

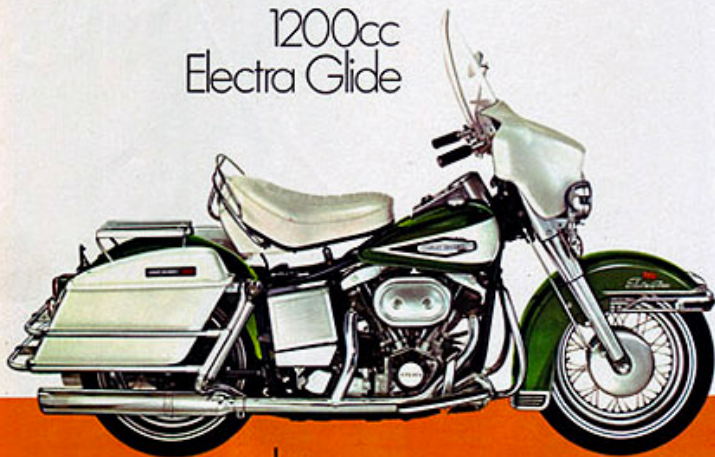

The all-new Baja 100!

Harley-Davidson's 100cc
off-road champion.
The hot desert scrambler
that's as tough as its
name. Baja!

1200cc
Electra Glide

king
of the
out-performers

The standard of the world! New permanent-magnet alternator with solid state rectifier and regulator provide higher electrical output at lower engine speeds. Eight-inch brakes with improved lining material give finger-tip control at all speeds. Telescopic front fork and three-position hydraulic rear shocks combine with many other new features to make the 1970 Electra Glide the ultimate expression of touring elegance.

WINDSHIELD FAIRING KIT

Elegantly styled for comfort and protection with molded fiberglass contoured to cut wind resistance. Safety-edged windshield is adjustable. All hardware included.

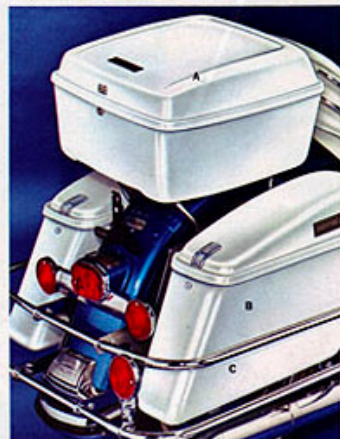

58160-69 Big Twins 1960-70 \$59.40

A TOUR-PAK

Neat, durable fiberglass with an easy-on, easy-off lock that enables convenient addition or removal from the cycle. Totes a lot!

53300-69 For Big Twins, Solo Saddle Sportsters \$55.00

B "PAK-KING" SADDLEBAGS AND C GUARDS

Tremendous capacity with elegant styling. Your choice of white or black reinforced fiberglass. Carriers included.

90849-59D White with carriers \$64.50

90851-58E Black with carriers \$64.50

Gleaming chrome guards provide saddlebag protection and add to the cycle's good looks.

90800-68 Double-rail guards \$44.20

AIR CLEANER AND GENERATOR TRIM COVERS

New and neat! Glistening accent styling helps maintain that spanking new look.

29205-69 Air Cleaner Trim Cover — Big Twins, Sportsters \$3.10

30118-69 Generator Trim Cover — Big Twins \$5.60

30117-69 Generator Trim Cover — Sportsters \$5.20

900cc Sportster

NEW, OPTIONAL SEAT AND FENDER

Without a doubt this is the neatest two-up touring look ever designed for the world's fastest motorcycle. Made of rugged yet lightweight fiberglass, it fits all Sportster models (I and CH) from 1958 on up.

52478-70	White Seat \$95.00
52509-70	Black Seat \$95.00

Boss Power...
this is what cycling
is all about!

The lean and angry 1970 Sportsters are a fresh breath of life in a world that's through with waiting. These 900cc stormers wind out to seven grand . . . they're brothers to the record breakers at Bonneville, Daytona, and Atco Dragway. Here are the ones to ride for gut-taut mastery of the open road. Whether tucked in down the straight or sucking through a high-speed bend, Sportsters stick. And stop. CH or electric start H, give yourself a gift. Give yourself a new look at life. Start at your Harley-Davidson dealer.

"COMPACT" SADDLEBAGS AND GUARDS

Dustproof, waterproof, and highly resistant to impact these Cycloac thermal plastic saddlebags are especially designed for Sportsters and Sprints. Carriers included.

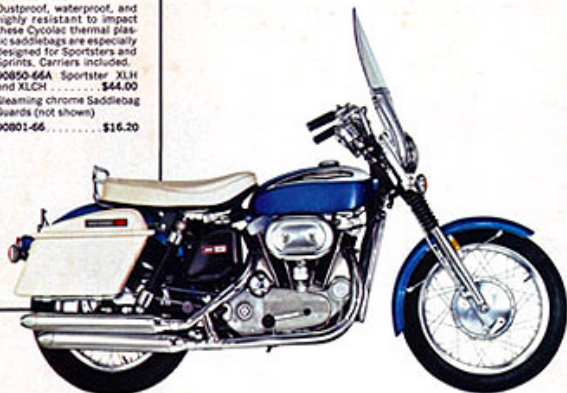

90850-66A Sportster XLH

and XLCH \$44.00

Gleaming chrome Saddlebag

Guards (not shown)

90801-66 \$16.20

Then came Bronson

When a neat studio like MGM, creates a super neat TV series like Bronson it only stands to reason that they'd select the neatest motorcycle in the world for a co-star — a Harley-Davidson Sportster. Watch for "Then Came Bronson" on NBC starting September 17th. It's the wildest!

the all new BAJA100

Here's the off-road scrambler that's ready to win right out of the box. It proved itself at the 500 mile Greenhorn National Enduro Championship when the only three BAJA'S in the race finished one, two, three in their class.

Long-legged, tough, and lean, the BAJA is the most perfect off-road competitor you ever imagined: Ceriani forks, longer wheelbase, lengthened frame, Metzler knobbys front and rear, 11-inch ground clearance, five-speed transmission, tuned expansion chamber and stinger pipe exhaust, a two-stroke single, and geared like you wouldn't believe! BAJA! It's as ready to win as you are.
