

HARLEY-DAVIDSON

**1970
accessory
catalog**

CONGRATULATIONS MERT! Grand National Champion Mert Lawwill and Harley-Davidson were a devastating duo on the A.M.A. circuit with consistent out-performance the key to their victory trail. Lawwill's championship marks the 13th time in 16 years that a Harley-Davidson cycle has finished Number One.

gleaming chrome accessories for the distinctive

way to keep your machine

LUBRICANTS

PRE-LUXE OIL[®] This premium oil retains its index weight throughout the high temperature operating range of motorcycle engines. Exclusive additives keep engine clean and reduce friction to improve the performance and life of all internal components. Available in handy four-pak cartons.

"58" Special Light Pre-Luxe for use in temperatures below 40° F.

"75" Medium Heavy Pre-Luxe for use in temperatures above 40° F.

"75R" Medium Heavy Pre-Luxe Racing Oil.

"105" Regular Heavy Pre-Luxe for use under severe operating conditions at high air temperatures.

"105R" Regular Heavy Pre-Luxe Racing Oil.

"Two-Cycle" Pre-Luxe is specially refined for two-cycle engines to insure peak performance. Available in 12 oz. screw-top cans.

OIL FILTERS

63839-53 Sportsters '54-'70, Big Twins '53-'70 \$ 2.59

63840-48A Big Twins '41-'64 \$ 1.55

CHAIN SPRAY Lubricate your chain the easy spray-way. Penetrates quickly, lubricates bushings and pins to add miles to chain life. (12 in Carton)

99870-58 12 Oz. Can \$.90

CHAIN GREASE Specially compounded to stay on at high speeds, giving full penetration at all temperatures. Grease your chain every 500 miles for longer life. (12 in Carton)

99850-51 12 Oz. Can \$.35

CHAIN SAVER Penetrates deep, fast and stays on. Easy to

apply with handy spout can. (12 in Carton)

99875-50 ½ Pint Can \$.80

GAS AND OIL ADDITIVE Give your power plant new life. Add one ounce to three gallons of gasoline to get rid of sludge, gum and lacquers. Frees rings and valves. Twelve ounces to a gallon of oil also goes to work immediately.

99825-53 4 Oz. Bottle \$.45

99826-53 12 Oz. Can \$.75

TRANSMISSION LUBRICANT Specially formulated for Topper motor scooters, Harley-Davidson Golf and Utilicers. (12 in Carton)

99890-61 12 Oz. Can \$.95

GREASE ALL All purpose grease for minor repairs as well as major overhauls. Ideal for packing bearings or general grease gun use. (12 in Carton)

fall catalog

an encore in
out-performance

There's a Harley-Davidson out-performer for every style of cycle excitement. Sun-and-summer fun 65cc Leggero. 125cc Rapido for windblown freedom, street or trail. Sprint SS, race-bred 350cc middleweight that sets new performance standards. And the wildest big-inch slammers that ever hustled down the pike. 900cc Sportsters, brothers to the record book re-writers at Bonneville,

Daytona, Atco Dragway. Or Electra Glide, Classic 1200cc touring out-performer with elegant options to make yours one of a kind.

Take your choice. You can ride them, buy them, finance and insure them in a single stop at your Harley-Davidson dealer. After that there'll be no stopping you. Harley-Davidson Motor Co., Inc., Milwaukee, Wisconsin 53201.

Left to right: Sportster XLCH, Electra Glide, Sportster XLH, Sprint SS350, Rapido, Sprint ERS, Leggero.

the Harley-Davidson Out-Performers for 1970.

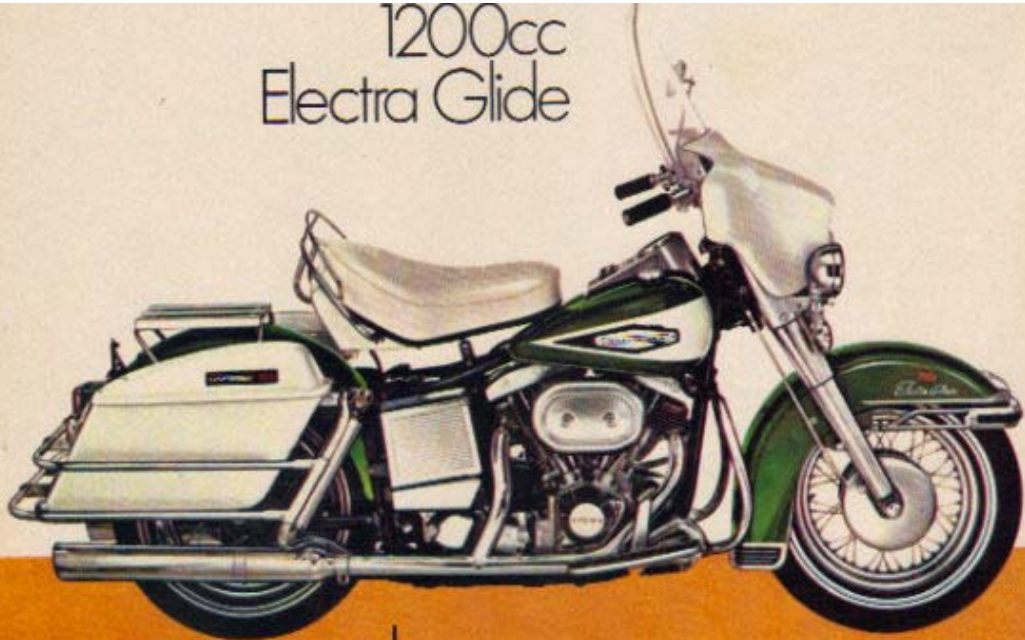

The all-new Baja 100!

Harley-Davidson's 100cc
off-road champion.
The hot desert scrambler
that's as tough as its
name. Baja!

1200cc Electra Glide

king
of the
out-performers

The standard of the world! New permanent-magnet alternator with solid state rectifier and regulator provide higher electrical output at lower engine speeds. Eight-inch brakes with improved lining material give finger-tip control at all speeds. Telescopic front fork and three-position hydraulic rear shocks combine with many other new features to make the 1970 Electra Glide the ultimate expression of touring elegance.

WINDSHIELD FAIRING KIT

Elegantly styled for comfort and protection with molded fiberglass contoured to cut wind resistance. Safety edged windshield is adjustable. All hardware included.

58160-69 Big Twins 1960-'70 \$59.40

A TOUR-PAK

Neat, durable fiberglass with an easy-on, easy-off lock that enables convenient addition or removal from the cycle. Totes a lotta

53300-69 For Big Twins, Solo Saddle Sportsters \$55.00

B "PAK-KING" SADDLEBAGS AND C GUARDS

Tremendous capacity with elegant styling. Your choice of white or black reinforced fiberglass. Carriers included.

90849-59D White with carriers \$64.50

90851-58E Black with carriers \$64.50

Gleaming, chrome guards provide saddlebag protection and add to the cycle's good looks.

90800-68 Double-rail guards \$44.20

AIR CLEANER AND GENERATOR TRIM COVERS

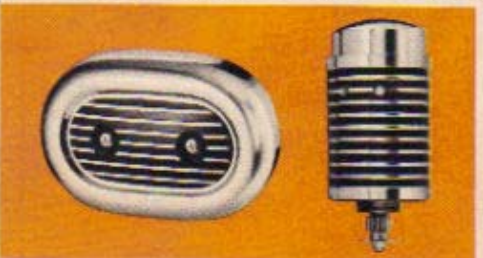

New and neat! Glistening accent styling helps maintain that spanking new look.

29205-69 Air Cleaner Trim Cover —

Big Twins, Sportsters \$3.10

30118-69 Generator Trim Cover — Big Twins \$5.60

30117-69 Generator Trim Cover — Sportsters \$5.20

Superb for
highway
touring...

or
off-the-road
bashing
125cc Rapido

All new for '70. 18-inch, wide tread Pirelli covers. Man-sized ball-end levers. Dual sprockets with quick change links let you conveniently select your own style of action. Flawlessly engineered with sculptured tank styling, folding pegs, and high-rise exhaust. First in its class in the Greenhorn 500 mile National Enduro Championship. Visit your Harley-Davidson dealer soon and test ride "the best of both worlds".

Distinctive Quality by Harley-Davidson

Neatest
trophy ticket
you'll find at any price...

the all new BAJA100

Here's the off-road scrambler that's ready to win right out of the box. It proved itself at the 500 mile Greenhorn National Enduro Championship when the only three BAJA'S in the race finished one, two, three in their class.

Long-legged, tough, and lean, the BAJA is the most perfect off-road competitor you ever imagined: Ceriani forks, longer wheelbase, lengthened frame, Metzler knobblies front and rear, 11-inch ground clearance, five-speed transmission, tuned expansion chamber and stinger pipe exhaust, a two-stroke single, and geared like you wouldn't believe! BAJA! It's as ready to win as you are.

Your most
willing companion
65cc Leggero

Here is your passport to find the place that touches your mind. Your you-alone place. Here is the way to discover the fun and fire of cycling. Here is personal freedom wrapped up in a lightweight 65cc package. Leggero! For mobility, economy, and easy-to-handle excitement see your Harley-Davidson dealer now.

Boss Power...
this is what cycling
is all about!

The lean and angry 1970 Sportsters are a fresh breath of life in a world that's through with waiting. These 900cc stormers wind out to seven grand . . . they're brothers to the record breakers at Bonneville, Daytona, and Atco Dragway. Here are the ones to ride for gut-taut mastery of the open road. Whether tucked in down the straight or sucking through a high-speed bend, Sportsters stick. And stop. CH or electric start H, give yourself a gift. Give yourself a new look at life. Start at your Harley-Davidson dealer.

Your Harley-Davidson dealer...

is the place to see, test ride, buy and insure the out-performing cycles for '70. It's also the place with the most complete line of quality cycle accessories

available anywhere. So if you ride a cycle, do yourself a favor and visit your Harley-Davidson dealer soon — it's the place where out-performance is a way of life.

Pre-Luxe®

This premium refined oil has been laboratory tested and road proven. It retains its index weight throughout the normal high operating temperatures of a motorcycle engine, providing smooth lubrication from start to stop. Exclusive additives provide more protection than any other oil. Detergent keeps engine clean. Oxidation inhibitor reduces bearing wear. An extreme pressure additive cuts friction. Get peak performance and proved protection for pistons, rings, bearings, transmission and cylinder walls. Get Pre-Luxe in handy 4-Pak cartons.

"55" Special Light Pre-Luxe — use in all motors at temperatures below 40° F.

"75" Medium Heavy Pre-Luxe — use in all motors at temperatures above 40° F.

"105" Regular Heavy Pre-Luxe — use in all motors under severe operating conditions at high air temperatures.

"75R" Medium Heavy Racing Oil

"105R" Regular Heavy Racing Oil

Harley-Davidson "Two-Cycle" Oil

For two-cycle lightweights. Insures top performance because it's refined especially for two-cycle engines. Available in 12 oz. Screw-Top cans.
